

## About Us

Victim Support Services is the oldest victim advocacy agency in the state of Washington and one of the oldest in the nation. VSS is a non - profit agency serving Snohomish, Whatcom, and Skagit Counties.

VSS provides services to individuals hurt or harmed by crime. Services are provided virtually and include one-on-one advocacy, courtroom support, media intervention, resources, referrals, education and more. Additionally, VSS has a trained facility dog that can support clients in-person depending on availability. All services are free.
